

ASF Community Event Grant

The ASF has funds available in the form of grants for interested parties to host an event in their local community. The intent is to further support the promotion of old tyme fiddling and old tyme dance. Interested parties may apply for one of ten annual grants in the amount of \$500.00. All communities in the province are eligible on a first come first served basis. ASF members are encouraged to connect with their community and explore the possibility of hosting an event. Final approval of all applications will be up to the discretion of the ASF directorship and executive. Please consider the following criteria as a guideline for grant funding.

- The event must be a public, family-oriented event
- The event must be hosted by a local community organization, or individual in the local area.
- Old tyme fiddle must be the focus of the event.
- The event must cater to young and old alike.
- The event should include the encouragement of old tyme dance.
- The ASF grant of \$500.00 is to be used directly for costs incurred – musicians, hall rental, advertising, etc.
- The ASF must be publicly acknowledged as supporting the event.
- An open invitation must be extended to the ASF to attend and promote the society. A display table would be set up for use by the society.
- Recipients of the grant will submit a report in a timely manner for publication in the ASF newsletter and posting on the website.
- Individuals and/or groups will be eligible for only one grant per calendar year.
- The formal application to the ASF must be received by the society a minimum of 30 days before the proposed event.
- ASF grant monies will be sent by cheque to the relevant parties prior to the event. In the case of event cancellation, the grant money must be returned to the ASF immediately.

To apply for the grant, contact Randy Jones, President of ASF at haneyjones1@gmail.com or 403-652-6440 with the following information:

- Date and location of event
- New or existing community event
- Brief description of event activities
- Contact name and phone number
